Dance Class: Created to Move in Worship

Shannon Campau will be teaching a class on Hebraic Folk Dance. Also referred to as Messianic, Israeli or worship dance, this style of dance will be taught from the perspective of worshiping our Creator. The idea that we are to make a joyful noise (not a perfectly pitched one) is liberally applied to the concept that everyone can dance to worship our King regardless of skill.

Shannon will teach basic steps, give their names and meanings to deepen the experience of worship and also have some fun while doing it. If you are new to dance or have been dancing all your life, you will find some value and enjoyment in this class. All ages are welcome but we do request that children under the age of 10 be accompanied by an adult. You are welcome to come and observe or sit out for a dance or two if needed. Bring water, wear comfortable shoes and clothes and be willing to move!
